Dear Guy,

I am writing specifically to comment on the consultation on AHDB funding and Assured Food Standards. I know that you will have already received the retailer collective response from Andrew Opie at the BRC.

I did want to reiterate however that Sainsbury's position this is entirely consistent with that of the BRC and that we actively support the response that you have had from them.

If I can provide any more evidence to this effect on behalf of Sainsbury's then please do not hesitate to contact me

Kind regards

Judith Batchelar
